

Complaints and Appeals Policy

Purpose of the policy

This policy and associated procedures outline RTO approach to managing complaints and appeals. This is to ensure that complaints are handled in a transparent way, as well as fairly, efficiently and effectively.

This policy and associated procedures meet the requirements of Standard 6 of the Standards for RTOs 2015, as well as Standard 10 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

Policy statements

Approach

Complaints may be made against the RTO, its trainers and assessors and other staff, a learner of the RTO, as well as any third party providing services on behalf of the RTO including education agents.

Complaints can be in relation to any aspect of the RTO's services provided.

Appeals can be made in respect of any decision made by RTO. An appeal is a request for the RTO's decision to be reviewed in relation to a matter, including assessment appeals.

In managing complaints, RTO will ensure that the principles of natural justice and procedural fairness are adopted at every stage of the complaint process. This means reviewing each complaint or appeal in an objective and consistent manner.

RTO will appoint relevant person/s to manage complaints and appeals.

The internal complaints and appeals process will be conducted at no cost to students.

Potential causes of complaints and appeals will be investigated and corrective and preventative action will be taken in relation to complaint and appeals. Complaints and appeals will also be seen as an opportunity for improvement.

All individuals, including third parties will be informed of allegations made and will have the opportunity to present their case.

Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

RTO encourages complainants to first seek to address the issue informally by discussing it with the person involved. However, if the person is not comfortable with this or has tried this unsuccessfully, they are to follow the procedures below.

All records of complaints and appeals will be kept by the RTO and entered into the complaints and appeals register.

Complaints and appeals process

Complaints and appeals are to be made as follows:

- Submit complaint or appeal in writing using the complaints and appeals form. The complaints and appeals form outlines the information that should be provided.
- Submit complaint within 30 calendar days of the incident or in the case of an appeal within 30 calendar days of the decision being made.

Response to complaints and appeals

Complaints and appeals will be responded to as follows:

- The complaint or appeal will be acknowledged in writing within 3 working days of receipt.
- Review of the complaint or appeal will commence within 5 working days of receiving the complaints.
- Complaints and appeals will be finalised as soon as practicable or within 30 calendar days.
- Where the complaint or appeal is complex and is expected to take more than 60 calendar days to process, RTO will write to inform the complainant or appellant of this including the reasons for such. Following this update, regular updates will be provided of progress.
- The outcomes of the complaints and appeals process will be communicated in writing to the person making the complaint or appeals. This will also include the reasons for the outcome.

Complaints and appeals handling

Each individual involved in the complaint may have a support person of their choice present at any meetings to resolve the complaint or appeal.

An independent assessor will be identified to conduct a review of an assessment decision that is being appealed.

Enrolment during a complaints process

Domestic students' enrolment will be maintained throughout the complaints and appeals process unless the complaint is in relation to misconduct.

International students' enrolment will also be maintained throughout the internal appeals processes without notifying DESE via PRISMS of a change in enrolment status.

Additionally, for international students:

- If the appeal is against the RTO's decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported the RTO's decision to report.
- If the appeal is against the RTO's decision to defer, suspend or cancel a student's enrolment due to misbehaviour, RTO will notify DESE via PRISMS of a change to the student's enrolment after the outcome of the internal appeals process.

Independent appeal process

Where the internal process has failed to resolve the complaint or appeal, the matter will be referred to an independent mediator.

For domestic students, all associated costs are to be met by the complainant/appellant unless it is RTO that made the decision to appoint the independent party.

The independent party recommended by RTO for cases involving domestic students is the Resolution Institute. However, another mediator of the student's choice can be appointed.

For international students, the external mediator is the Overseas Students Ombudsman (OSO). International students can access the OSO at no cost in relation to matters that cannot be resolved through internal processes. Further information and contact details are included below.

During the mediation process, RTO will cooperate in full and commits to immediately implement the decision or recommendation made by the external mediator and/or take preventative or corrective action required by the decision or recommendation.

All actions taken will be communicated in writing to students.
