# CHC43015 Certificate IV in Ageing Support

CRICOS Course Code 092678C

This qualification reflects the role of support workers who complete specialised tasks and functions in aged services; either in residential, home or community based environments. Workers will take responsibility for their own outputs within defined organisation guidelines and maintain quality service delivery through the development, facilitation and review of individualised service planning and delivery. Workers may be required to demonstrate leadership and have limited responsibility for the organisation and the quantity and quality of outputs of others within limited parameters. To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency.

## Assessment Methods
Assessments will be conducted in a variety of formats which can include written questions and answers, projects, simulations, demonstrations, and work placements.

## Course Structure
The following units are included in this course and all are required for the award of the qualification. Students who only complete some units will be awarded with a Statement of Attainment for units successfully completed. There are 18 units of competency in total, which include 15 core units and 3 elective units.

| UNIT CODE | UNIT NAME | Core | Elective |
|---|---|:---:|:---:|
