

CHC43121 Certificate IV in Disability

CRICOS Course Code 112381F

This qualification reflects the role of individuals in a range of community settings and peoples' homes, who provide support in a manner that empowers people with disabilities to achieve greater levels of independence, self-reliance, community participation and wellbeing. Workers promote a person-centred approach, work according to and may contribute to an individualised plan, and work without direct supervision. They may be required to supervise and/or coordinate a small team.

To achieve this qualification, the candidate must have completed at least 140 hours of work as detailed in the Assessment Requirements of the units of competency.

Assessment Methods

Assessments will be conducted in a variety of formats which can include written questions and answers, projects, simulations, demonstrations, and third-party logbook.

Course Structure

The following units are included in this course and all are required for the award of the qualification. Students who only complete some units will be awarded with a Statement of Attainment for units successfully completed. There are 10 units of competency in total, which include 7 core units and 3 elective units.
