

CHC52021 Diploma of Community Services

CRICOS Course Code 112382E

This qualification reflects the role of community services workers involved in the delivery, management and coordination of person-centred services to individuals, groups, and communities. At this level, workers have specialised skills in community services and work autonomously within their scope of practice under broad directions from senior management. Workers support people to make change in their lives to improve personal and social wellbeing and may also have responsibility for the supervision of other workers and volunteers. They may also undertake case management and program coordination. To achieve this qualification, the candidate must have completed at least 200 hours of work as detailed in the Assessment Requirements of units of competency.

Assessment Methods

Assessments will be conducted in a variety of formats which can include written questions and answers, projects, simulations, demonstrations, and work placements.

Course Structure

The following units are included in this course and all are required for the award of the qualification. Students who only complete some units will be awarded with a Statement of Attainment for units successfully completed. There are 20 units of competency in total, which include 12 core units and 8 elective units.
